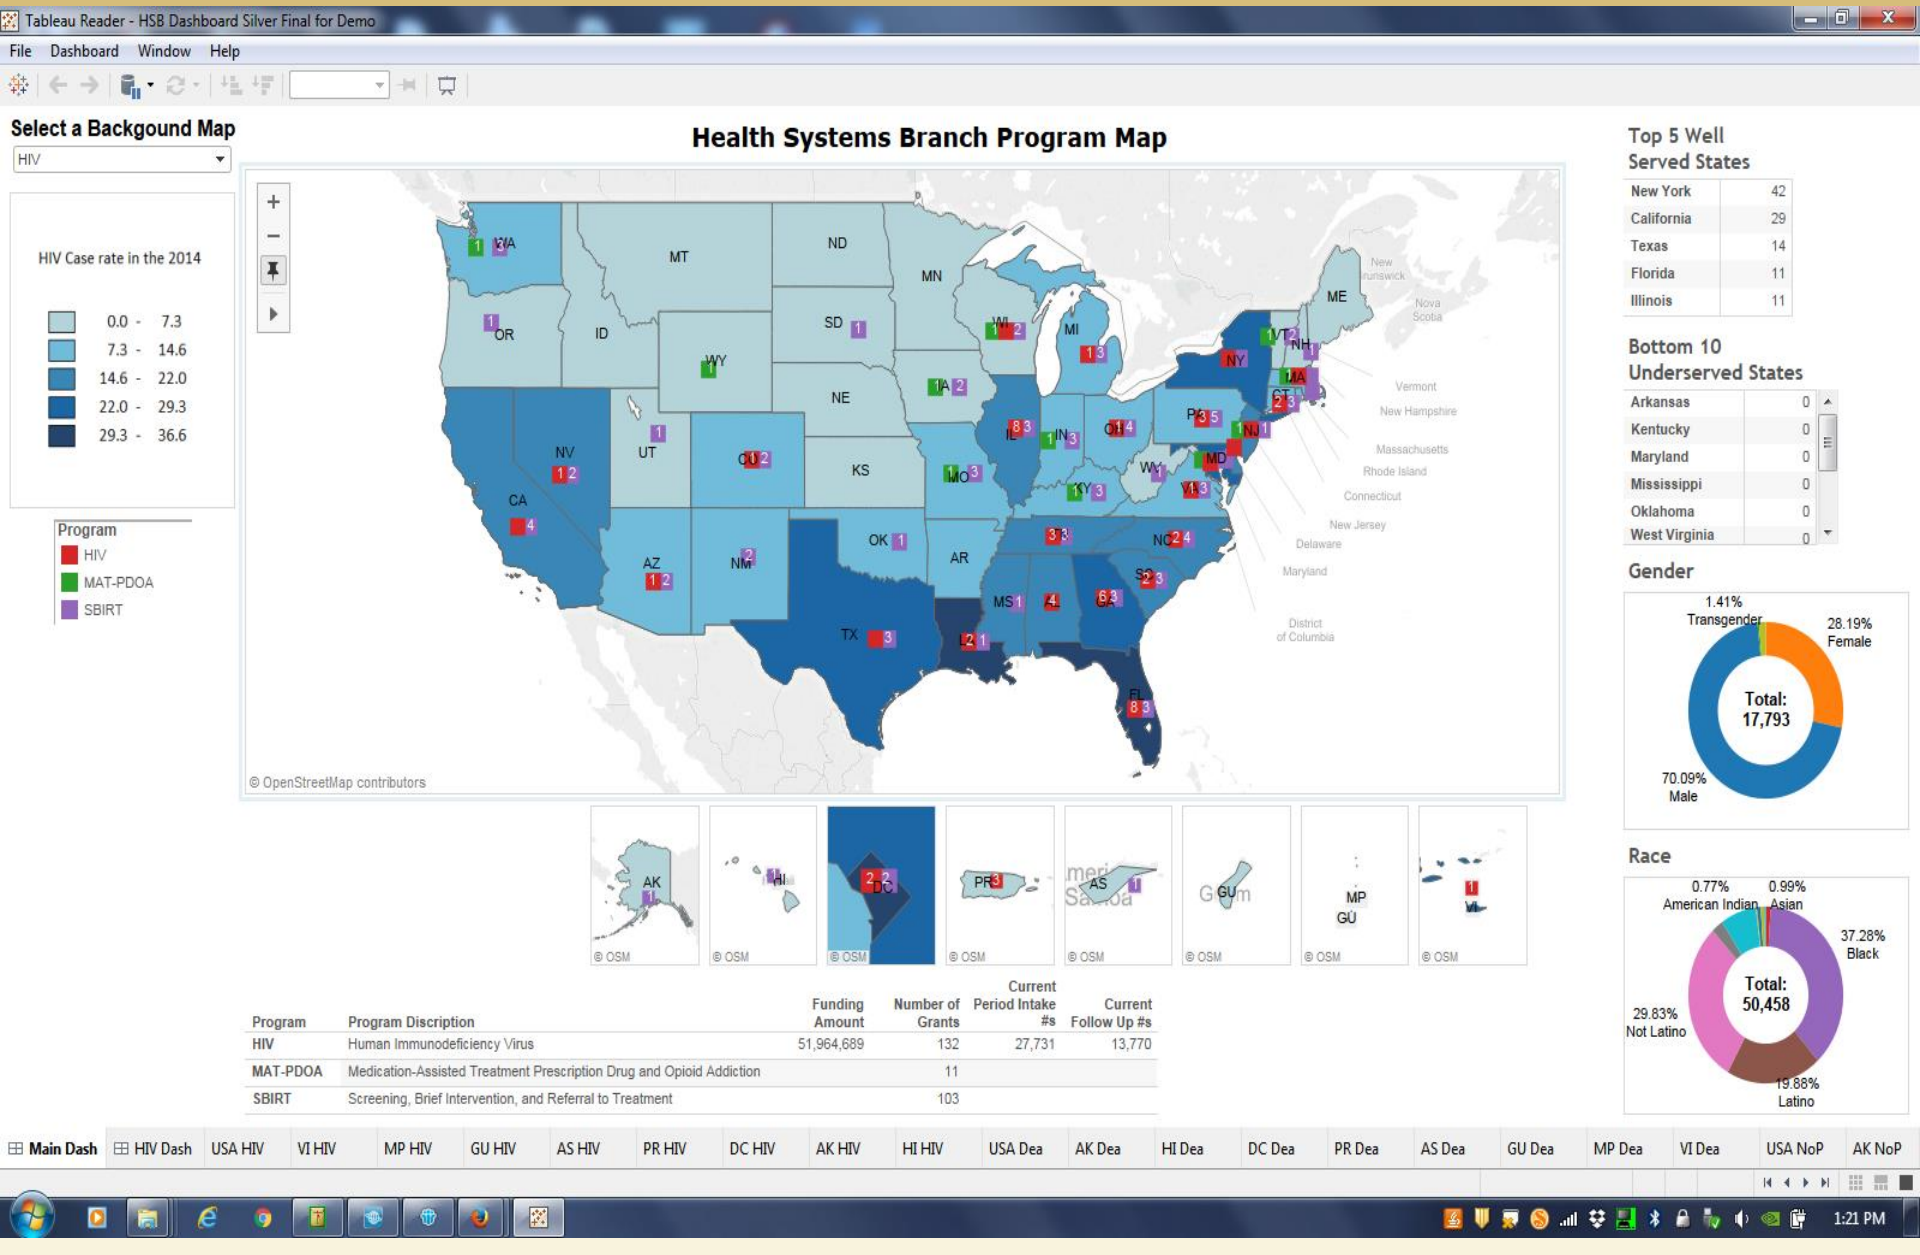
http://www.qualityforum.org/Publications/2015/

IMPROVING DATA: SPARS

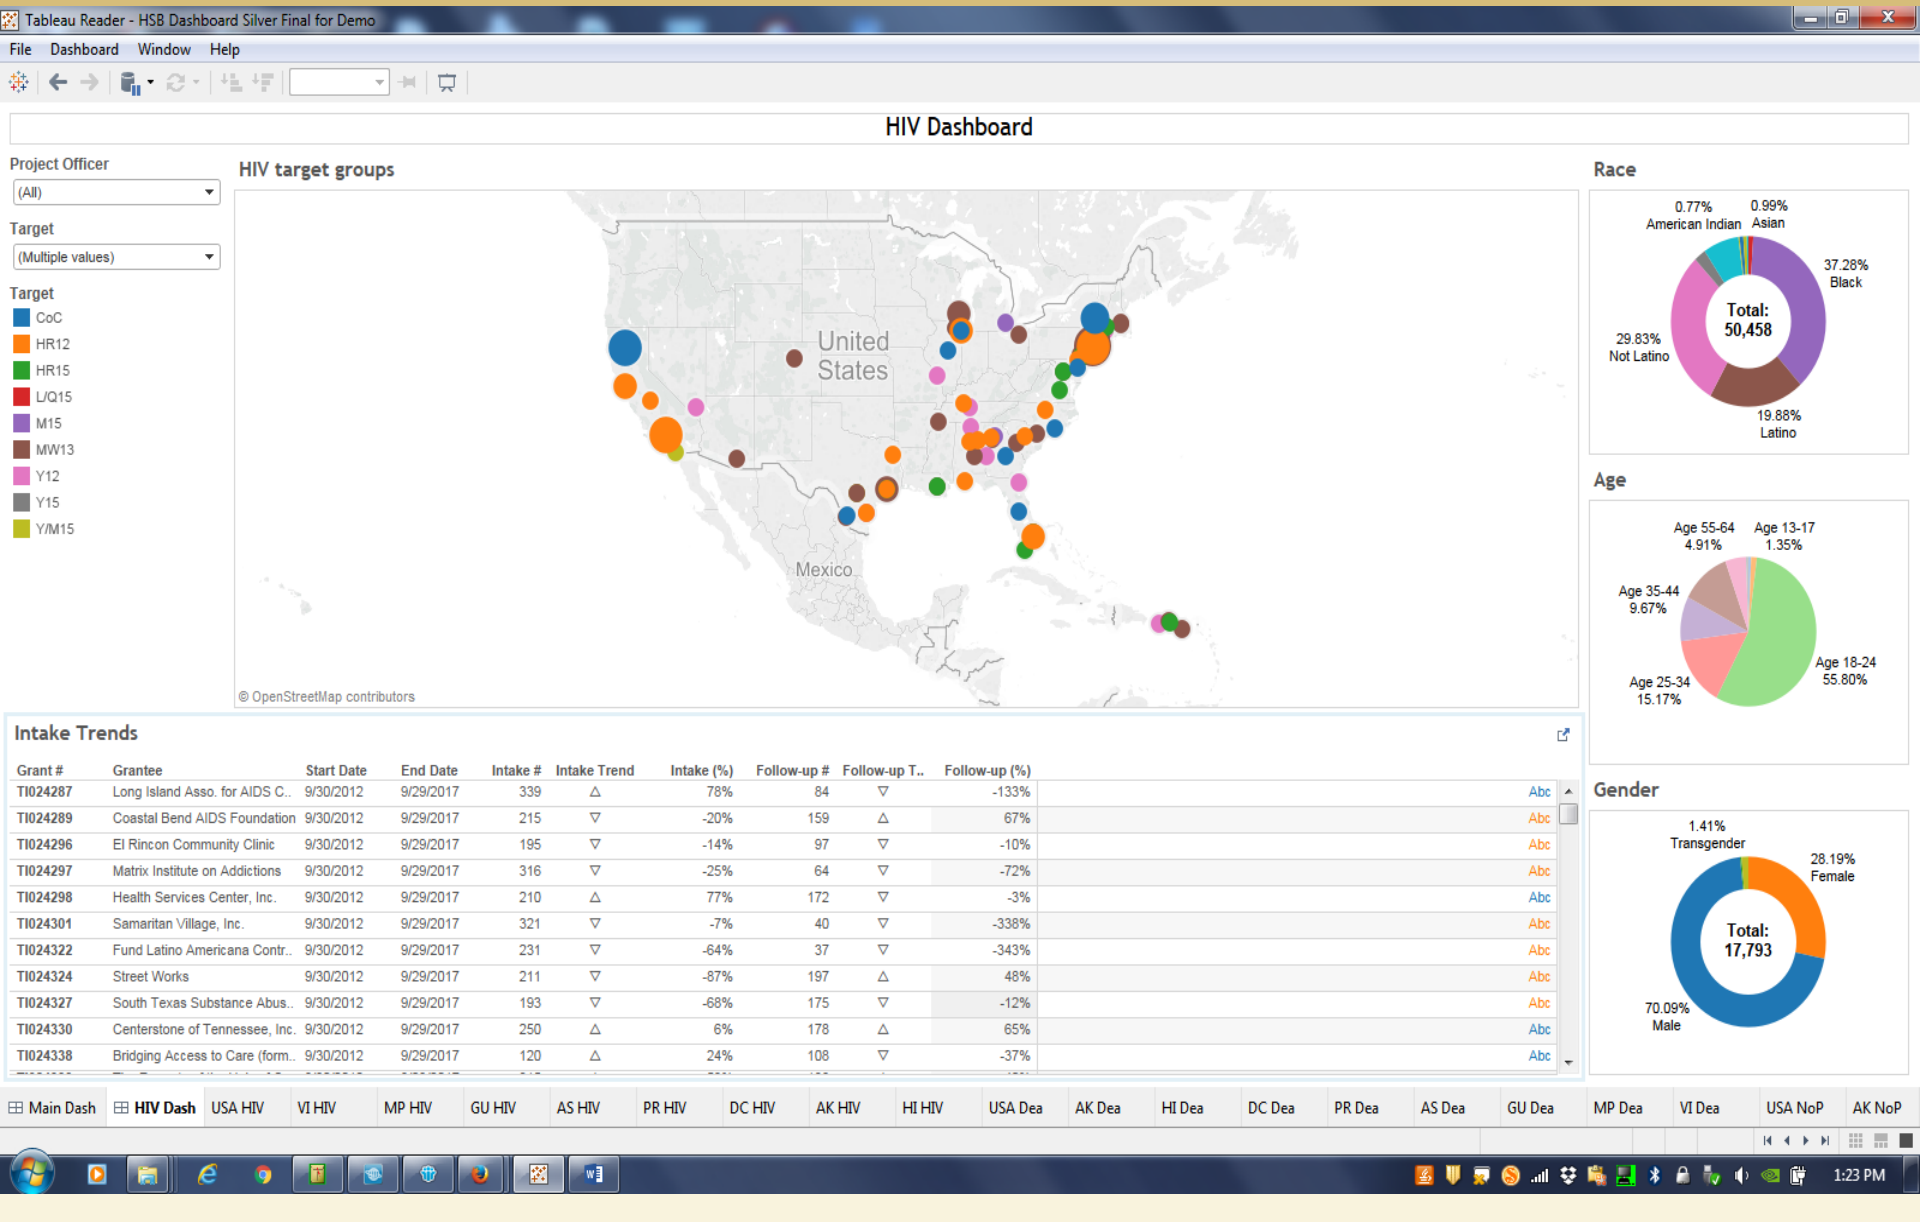
➔SAMHSA's Performance Accountability And Reporting System (SPARS):

- Establish a common data & reporting system for discretionary grants
- Provide programmatic TA on data use for grantees
- Improve grant management; performance monitoring; quality of services delivered; and health outcomes.

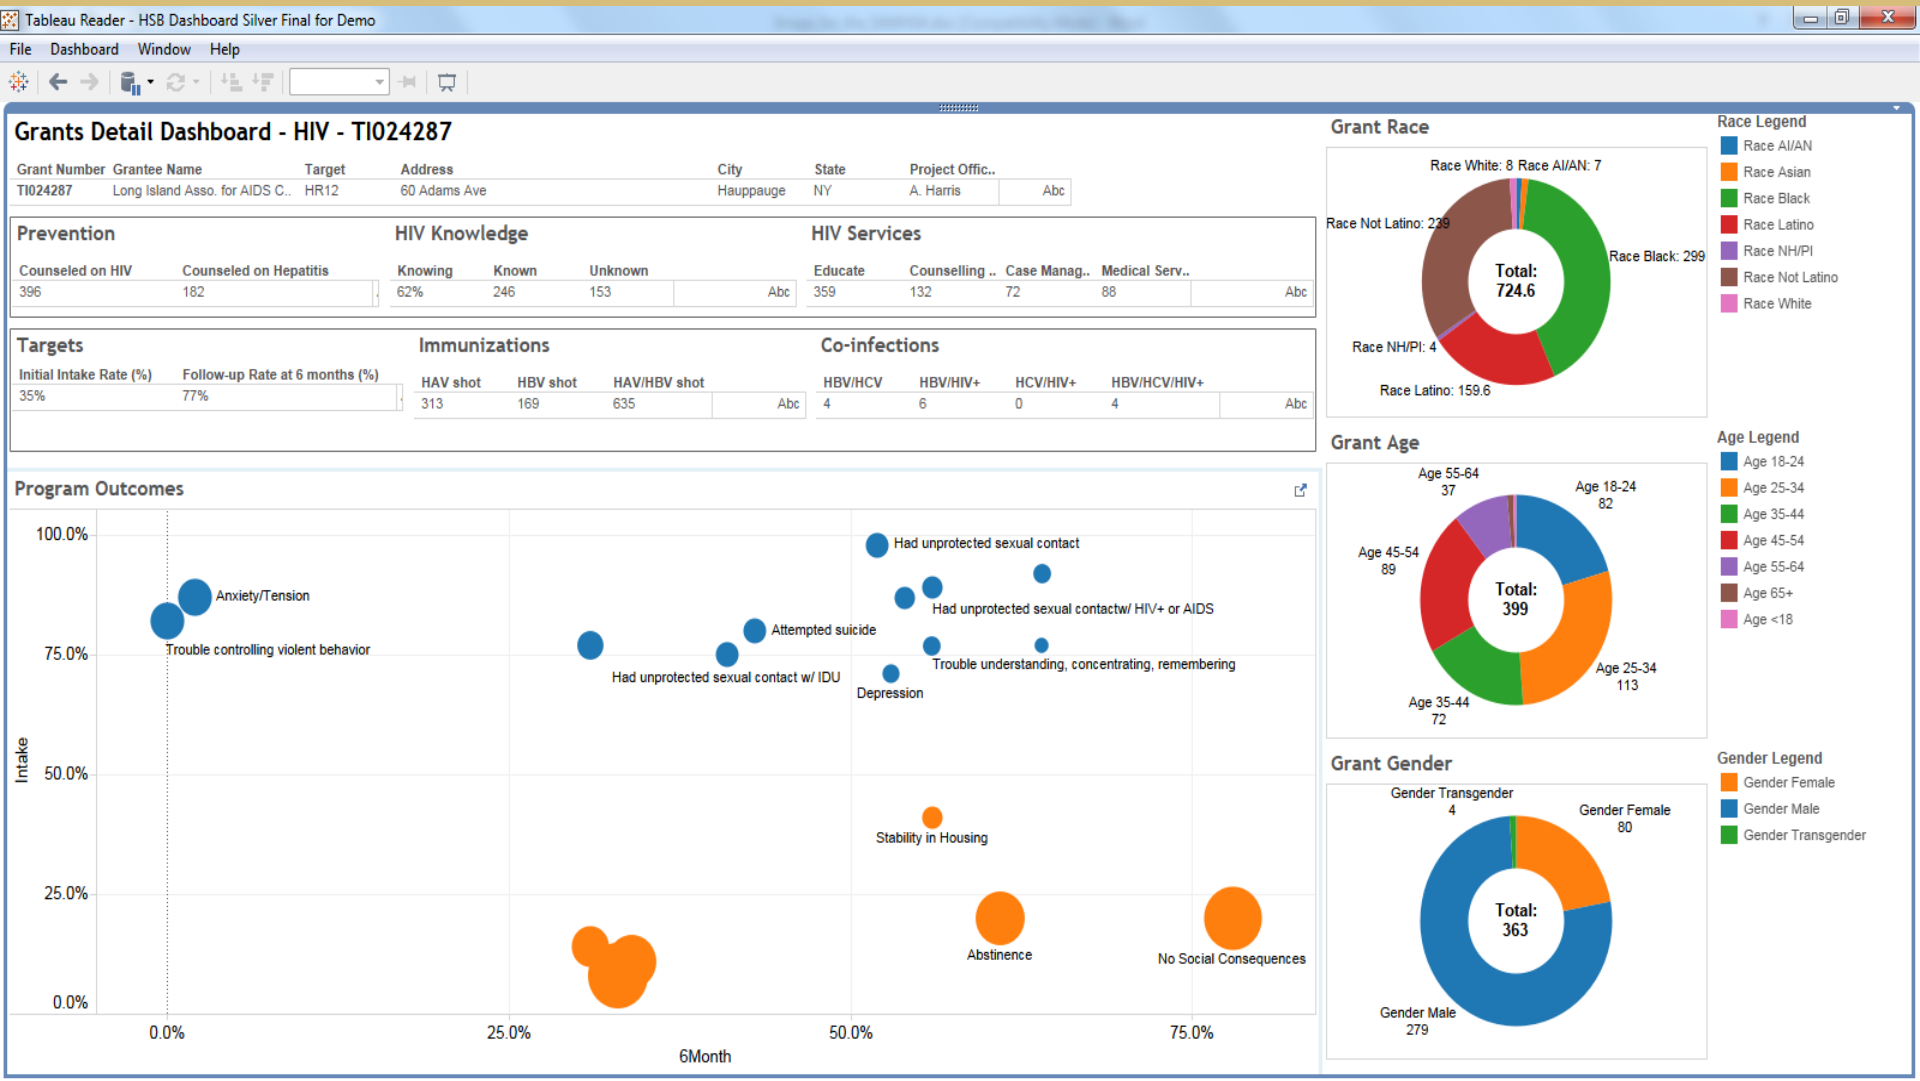
HSB Landing Page



Program-level View (Team HIV)



Grantee-level View (*mock data*)



Quality Concerns

- Residential Rehab
- Sober Housing
- Peer support roles and reimbursement

ACCESS & QUALITY:
HELPING PEOPLE HELP THEMSELVES
