

Using Data to Expand Access to Drug Treatment in Maryland

Thomas Cargiulo, PharmD, BCPP
Director

Maryland Alcohol and Drug Abuse Administration
June, 2011

Governor's Delivery Unit

▶ Goal

- Expand Access to Substance Abuse Services by 25% by 2012

▶ Baseline

- 17,863 average daily active patients in treatment (FY 08)

▶ Target 2012

- 22,329 average daily active patients in treatment by the end of FY 12 (*an increase of 4,466 patients*)

▶ Now

- 22,804 average daily active patients in treatment: first quarter of *CY11* (*an increase of 4,941 from baseline*)

JurisStat

- ▶ Meet monthly in StateStat to review data with Governor's staff
 - ▶ A process of continually evaluating performance data at the highest levels to improve coordination and formulate strategies
 - ▶ Data is analyzed, trends are monitored, and strategies to improve performance are developed
 - ▶ Meet with jurisdictions every other month to review data
- 

ADVANTAGES

▶ **Transparency**

- Disseminate information to stakeholders

▶ **Strategy**

- Have measures connect to key areas as we review

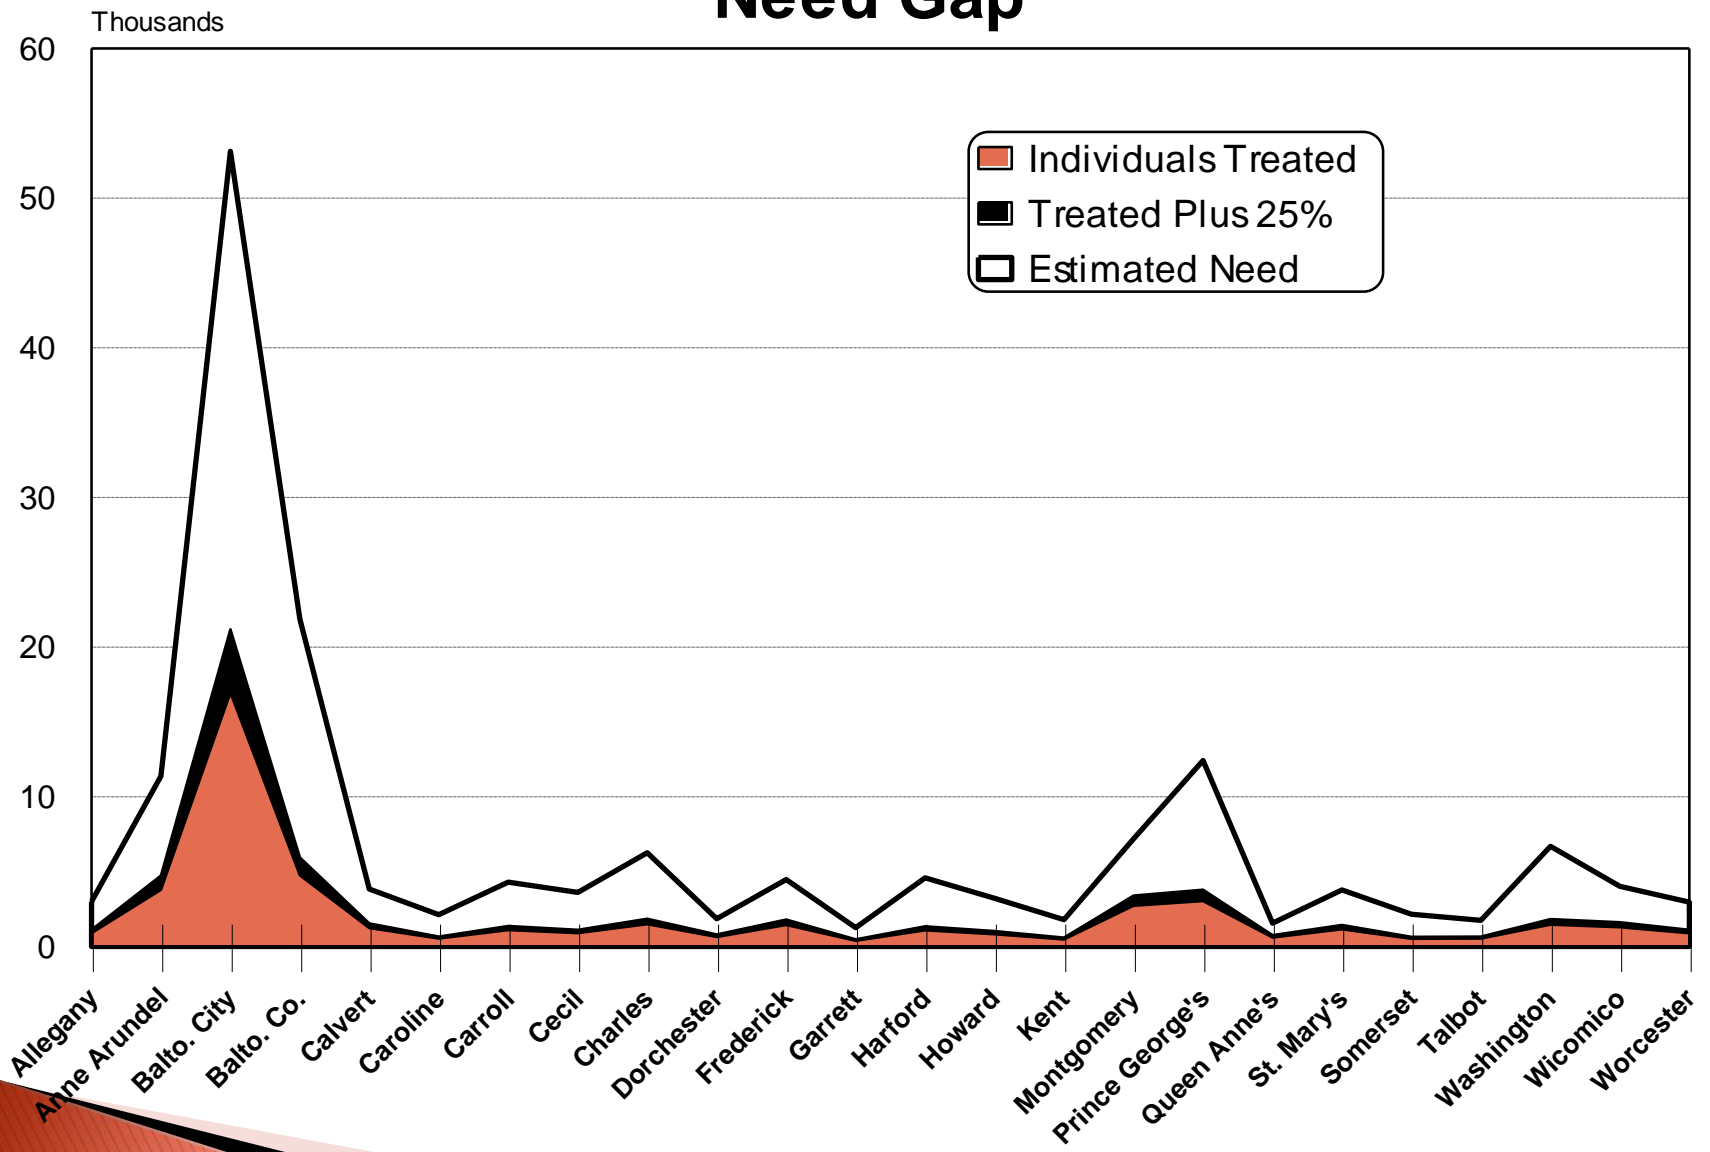

▶ **Results**

- JurisStat will be directly tied to performance outcomes that matter

▶ **Accountability**

- Jurisdictions will have input on measures and data and will own the results

FY 2009 Estimated ADAA-Funded Treatment Need Gap

Maryland Subdivision

Treatment Data

- ▶ Average Number of Patients in Treatment
 - ▶ Mean Length of overall treatment episode
 - ▶ Percent of Episodes that are Readmissions
 - ▶ Number of Individuals Enrolled in Level I
 - ▶ Number of Individuals Dis-enrolled in Level I
 - ▶ Number of Individuals Enrolled in Level III.7
 - ▶ Number of Individuals Dis-enrolled in Level III.7
- 

Treatment Data Cont.

- ▶ % Level I completers entering Continuing Care with 30 days
 - ▶ % Level II.1 entering another level of care within 30 days
 - ▶ % Level III.7 entering another level of care within 30 days
 - ▶ % Change in Employment
 - ▶ % Change in Arrests
 - ▶ % Change in smoking
- 

Buprenorphine Data

- ▶ Mean Length of Stay in Treatment for Buprenorphine Individuals Receiving Residential Treatment with an Opiate Dependence
 - ▶ Mean Length of Stay in Treatment for Non-Buprenorphine Individuals Receiving Residential Treatment with an Opiate Dependence
 - ▶ Buprenorphine Prescriptions Filled in Maryland
 - ▶ MA Buprenorphine Prescriptions Filled in Maryland
 - ▶ Cumulative Number of Physicians Approved to Prescribe Buprenorphine in Maryland
-
