About NASADAD & NPN/NTN/WSN

The NASADAD Annual Meeting is an excellent opportunity to meet with senior State officials across the US that are responsible for oversight and funding of public sector substance use disorder treatment, recovery and prevention services. Those attending include Agency Directors as well as senior officials responsible for prevention (National Prevention Network, NPN), treatment and recovery (National Treatment Network, NTN) and women's services (Women's Services Network, WSN).

State substance use disorder authorities have collective annual budgets of \$5 billion. The meeting generally has about 150 senior State officials in attendance, plus a number of federal officials from SAMHSA, ONDCP, NIH and others from HHS, as well as executives of allied associations working in the substance use disorder (SUD) arena. The Annual Meeting features presentations and discussions between senior federal and State officials on current SUD trends, service systems, financing and policy issues selected by membership. The first day is primarily dedicated to internal association meetings, followed by a day and a half of plenary sessions, along with discussion and networking opportunities.

National Association of State Alcohol and Drug Abuse Directors, Inc. (NASADAD)

The Association membership is comprised of senior State officials responsible for management State-supported substance use disorder (SUD) prevention, treatment and recovery services. NASADAD is a private, not-for-profit educational, scientific, and informational organization whose basic purpose is to foster and support the development and provision of effective publicly supported SUD services throughout every State and Territory. The Washington, D.C. office is headed by an Executive Director, and includes divisions concerned with Public Policy, and Research and Program Applications.

National Prevention Network

National Prevention Network (NPN)

The National Prevention Network is a NASADAD, Inc. component comprised of State Alcohol and Drug Prevention Professionals and other individuals dedicated to comprehensive and effective programs for preventing the misuse of alcohol and other drugs. Members of NPN focus on promoting good health, and supporting, developing, and enhancing national, State, and local efforts to reduce the incidence and prevalence of alcohol and other drug-related problems. NPN consists of one member from each of the NASADAD member States and Territories. NPN members are designated by the State's or Territory's Director for Alcohol and Drug Services.

National Treatment Network (NTN)

The National Treatment Network (NTN) was created to promote the effective treatment of alcohol/drug use disorder in general, and to certain specific vulnerable populations. As a component of NASADAD, the NTN provides support to the NASADAD membership, the Center for Substance Abuse Treatment (CSAT), and allied agencies and organizations. A component of NASADAD's NTN, the *Opioid Treatment Network (OTN)* is made up of State Opioid Treatment Authorities (SOTAs), who are officials designated by State Governors or other appropriate officials to oversee the integrity and quality of services provided by opioid treatment programs (OTPs). The OTN is dedicated to promoting safe, effective and efficient medication-assisted treatment (MAT) for persons with opioid use disorder, working together with Federal partners.

Women's Services Network (WSN)

The Women's Services Network (WSN) is a working group of State Alcohol and Other Drug (AOD) Agency Representatives dedicated to the development and promotion of evidence-based practice that addresses the unique alcohol and other drug prevention, treatment, and recovery service needs of women and their families throughout their lifespan.

EXHIBITS

The exhibits are an integral part of the NASADAD Annual Meeting. The exhibits provide an opportunity for publishers, technological firms, manufacturers, educational groups, and other commercial and non-profit vendors to display and demonstrate materials and resources of interest to State Alcohol and Drug Agency staff, Federal Agency staff, administrators, practitioners, and educators.

The 2017 Annual Meeting will take place at the Indianapolis Marriott Downtown, Indianapolis, Indiana.
