

# TIMELINE OF FUNDING FOR THE STATE TARGETED RESPONSE (STR) AND STATE OPIOID RESPONSE (SOR) GRANT PROGRAMS

## DECEMBER 2016

Dec. 13: President Obama signs into law the **21st Century Cures Act** (P.L.114-255), which creates \$1 billion (split between FY 17 and FY 18) account to be used for grants to States to address opioid crisis.

Dec. 14: SAMHSA releases **FOA** for State Targeted Response to the Opioid Crisis (STR) grants; State alcohol & drug agencies (SSAs) are the eligible applicants.

## APRIL 2017

April 19: Trump Administration, through SAMHSA, awards first year STR grants to States (\$500 million).

## MARCH 2018

March 23: Congress passes **final omnibus appropriations** bill for FY 2018, including \$500 million for year 2 of STR.

Appropriators also allocate, above and beyond year 2 of STR, "\$1 billion in new funding for grants to States to address the opioid crisis"--the State Opioid Response (SOR) grants.

## JUNE 2018

June 14: SAMHSA releases **FOA** for SOR grant program, listing SSAs as the eligible applicants; applications due Aug. 13, 2018.

## SEPTEMBER 2018

Sept. 28: Final FY 2019 L-HHS **appropriations bill** includes \$1.5 billion for SOR grants in FY 2019. Appropriators do not fund STR for FY 2019.

Sept. 19: Trump Administration, through SAMHSA, awards FY 2018 SOR **grants to States**.

## OCTOBER 2018

Oct. 24: **SUPPORT Act** (P.L. 115-271) signed into law, reauthorizing STR for FY 2019-2021. It is at the discretion of appropriators to actually fund STR beyond FY 2018.

## MARCH 2019

March 11: In FY 2020 **budget**, the Trump Administration proposes \$1.5 billion (level funding) for SOR in FY 2020.

March 20: HHS/SAMHSA **announces an additional \$487 million** to supplement first-year SOR funding.

## SEPTEMBER 2019

September 4: HHS/SAMHSA **announces** \$932 million in SOR year 2 funding.

## DECEMBER 2019

December 19: Final FY 2020 L-HHS **appropriations bill** includes level funding of \$1.5 billion for SOR grants in FY 2020. Appropriators note that in FY 2020 (year 3 of SOR), SOR funds may be used to address stimulants in addition to opioids.

## FEBRUARY 2020

February 10: In FY 2021 **budget**, the Trump Administration proposes \$1.585 billion (increase of \$85 million compared to FY 2020) for SOR in FY 2021, recommending services for stimulant use disorders as a continued allowable use of funds.

## AUGUST 2020

August 27: SAMHSA **announces** \$1.5 billion in funding to States and tribes for the third year of SOR funding.
