July 13, 15, & 17, 2020

SAMHSA & NASADAD Annual Meeting

Due to health and safety concerns and the uncertainty of COVID-19, we have made the difficult decision to cancel the face-to-face SAMHSA & NASADAD Annual Meeting, which was scheduled for June 22 to June 24, 2020. The Annual Meeting will be held virtually this year. More information is coming soon.

The Substance Abuse and Mental Health Services Administration (SAMHSA) and National Association of State Alcohol and Drug Abuse Directors, Inc. (NASADAD) Annual Meeting bring together Single State Agency Directors for alcohol and other drug services, state Prevention Coordinators, Treatment Coordinators, Women's Services Coordinators, and other state and national stakeholders that work on substance use, misuse, and disorders. The meeting is a forum to hear about the latest substance use trends and practices; to engage in interactive discussions on emerging issues; and share information on model programs and strategies used across the prevention, treatment, and recovery system.

Due to health and safety concerns and the uncertainty of COVID-19, we have made the difficult decision to cancel the face-to-face SAMHSA & NASADAD Annual Meeting. Instead, the Annual Meeting will be held virtually this year, July 13, 15, and 17, 2020.

There will be no fee to participate; however, we will require that you register. A link to register for the Annual Meeting will be posted here soon.

Thank you for your patience as we navigate these changing times. More information will be available soon.
